ABOUT US

Established in 2005 and based in Istanbul, our family-owned company proudly brings over 40 years of invaluable experience in the packaging industry. Operating from a 3000 square meter production site, we are deeply committed to sustainable practices and specialize in food-safe production. Our unwavering emphasis on quality is demonstrated by our prestigious certifications, including BRC, ISO 9001, ISO 14001, and FSC. We support a robust export rate of 50%, primarily serving the European market, thanks to our dedicated team of 50 permanent and 50 seasonal employees. Our mission is to continue delivering exceptional packaging solutions while upholding the highest standards of quality and sustainability.

Our production facility boasts a daily capacity of 15,000 pieces in a single shift and 30,000 pieces in two shifts, utilizing both manual and automatic lines to ensure efficiency and versatility. We specialize in working with 1 to 3mm GreyBoard, along with Artpaper and various specialty papers sourced from FSC-certified materials, reflecting our commitment to sustainability. Our comprehensive printing options include both offset and silk screen methods, which are enhanced by additional techniques such as embossing, debossing, and hot foil stamping to add unique and sophisticated touches to your packaging. To further elevate the quality of our products, we provide a range of finishes, including matt, gloss, anti-scratch, soft touch, and Metpol film lamination. These options allow us to deliver high-quality, tailored packaging solutions designed to meet diverse and exacting needs.

At our company, we pride ourselves on offering a comprehensive array of packaging solutions tailored to meet diverse needs with precision and innovation. Our product range includes telescopic boxes, magnetic boxes, flat/collapsible boxes, and specially designed boxes, each crafted with sharp edges for a sleek and modern look.

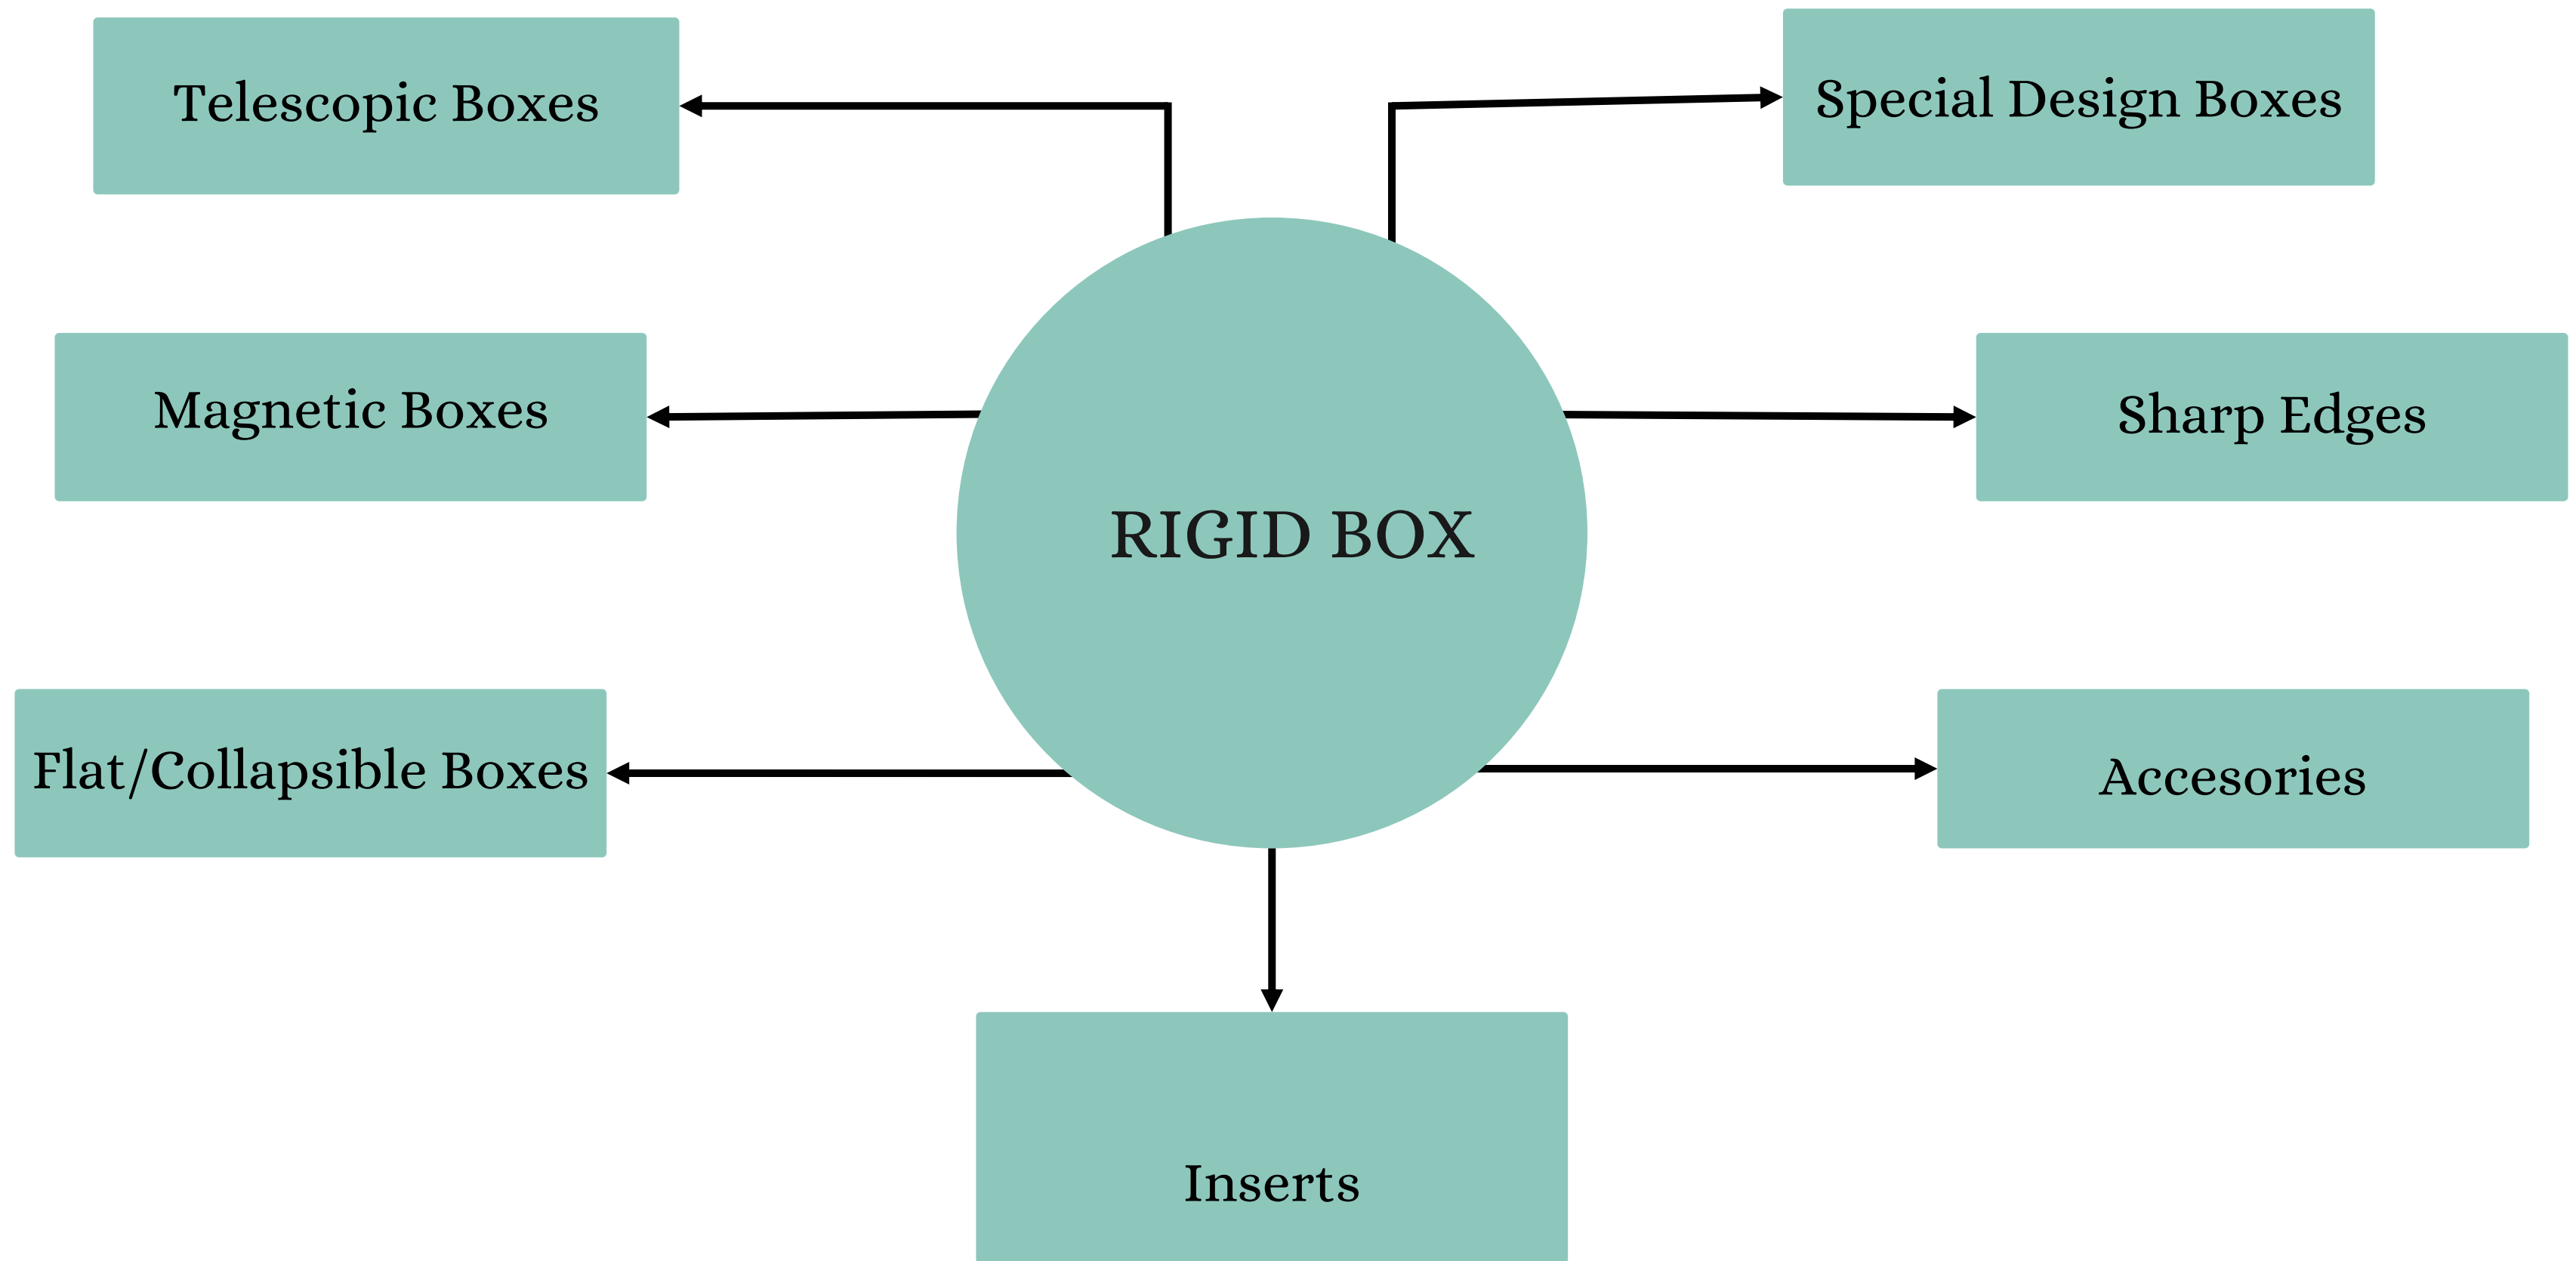

We enhance our packaging with various accessories such as magnets, ribbons, and inserts made from foam, EVA, and vacforms, ensuring both functionality and aesthetic appeal. Whether you're looking for sturdy protection or elegant presentation, our expertise guarantees that your packaging needs are met with the highest standards of quality and creativity.

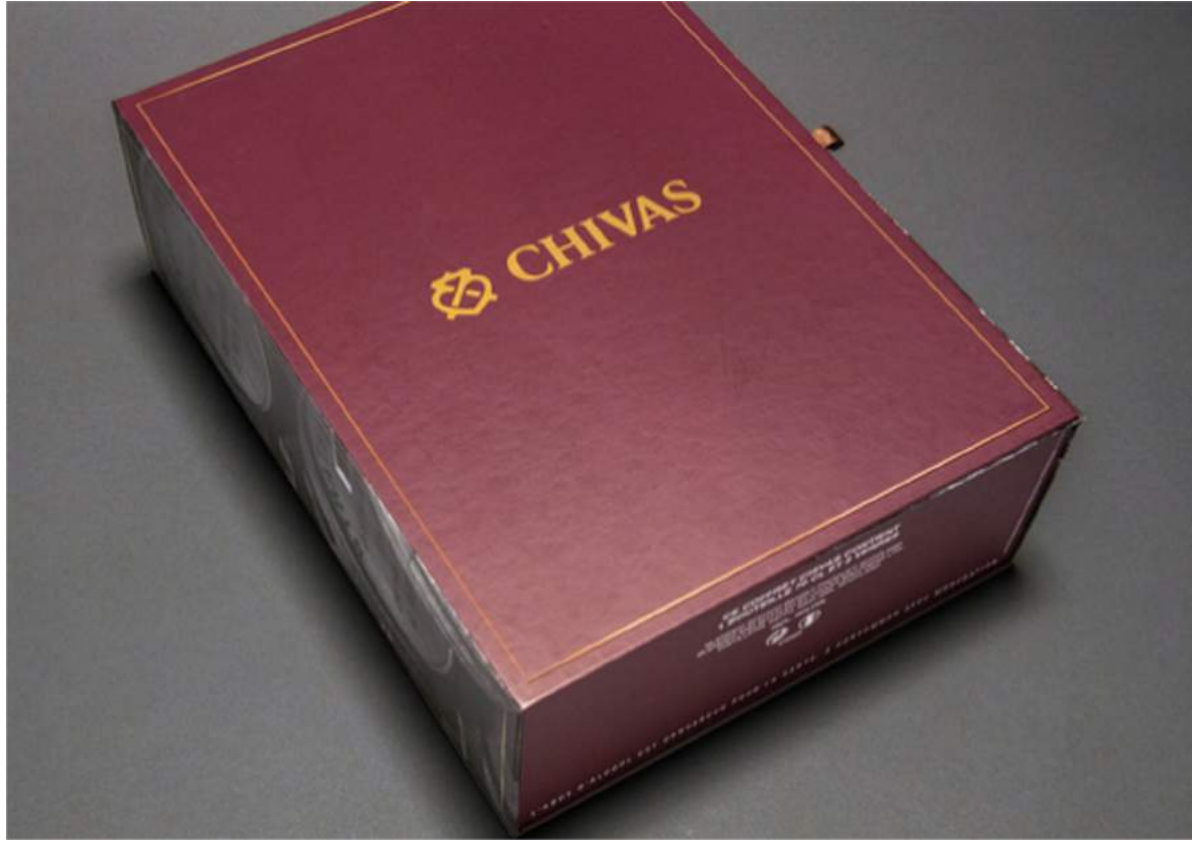

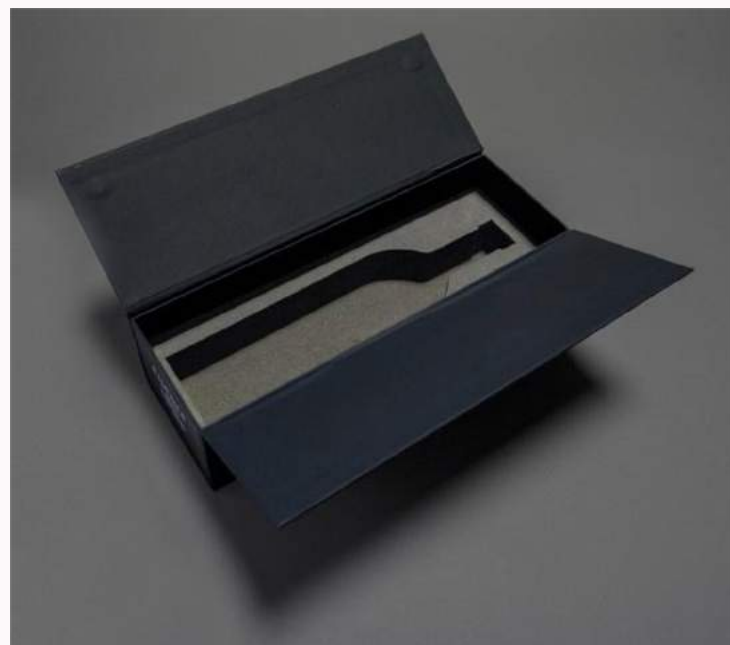

RIGID BOX

At our company, we take pride in transforming your initial ideas into the packaging of your dreams. With a robust design department, we meticulously craft each box to reflect your vision, ensuring it stands out with unmatched visual appeal. Our comprehensive range of printing techniques, including offset printing, foil stamping, embossing, silk screen printing, and the use of specialty papers, guarantees that every detail is executed to perfection. Whether you need Base/Top, Magnetic, Horizontal Boxes, or custom-designed models, we uphold the highest quality standards in every production. To add an extra touch of finesse, we often incorporate accessories like magnets, locks, and foam, ensuring both functionality and luxury. Trust us to deliver packaging that not only meets but exceeds your expectations.
